

“Flushable Wipes” are Clogging Wipes

Charleston Sends Divers to Clear Wipes Clogs Again

In the second time in less than a year, Charleston (South Carolina) Water System officials are [sending divers into sewage](#) to remove so-called “flushable” wipes that are clogging processes and pipes.

Divers made three dives 80-90 feet deep to remove masses of wipes blocking pumps in the system’s wastewater processing tanks, according to ABC News 4.
